

School Council Minutes 13/11/19

Playgrounds

We will **check toys** in the playgrounds and put out some more. **School councillors** will put out the bricks, blocks, go-goes on **Monday** and put them away on **Fridays**.

- We can't find the **Buddy stop** for the foundation stage playground but we have written friendship Stop on the blackboard behind a bench. Children can sit on the bench if they are lonely and someone will come and play with them.

Playground buddies to teach the younger children new games- we will ask Mrs O Hara if P7's can practise some games to teach the younger pupils.

- **Basketball hoops** can only be used for PE.

Mrs O Kane is working on the **quiet area** for KS2 and hopefully, we will get a new area soon.

- School Council thought P6's idea for each class to be **responsible to maintain a garden area** was great. Mrs Mc Crum will ask the teachers if they agree.

P7 are concerned that there are too many children in the Key Stage 2 playground. We will ask Mrs O Hara if for 3/3 days a week if P7 can have a different playtime (until quiet area is sorted.)

If P6 would like to make Climate presentations to the younger pupils, School Council thought that was a super idea. P6 can arrange that with the class/classes of their choosing.

Also in this theme we will have a NO WASTE LUNCH BOX day-date to be arranged soon!!

- **Talent Show** - we will have a Talent Competition in February.
- **Science Club**- Mrs O Kane hopes to have some exciting news about this soon.
- Ipad chargers- more will be ordered but we **MUST LOOK AFTER** them.

Road Safety

Mrs Vallelly thanked all classes for their suggestions. Mrs O Kane will tell everyone at assembly and send a letter home detailing all the things we are doing to promote Road Safety WEEK.

Christmas Jumper-date to be decided soon.
